CCU NEWS

“Take what you like, and leave the rest.” – Rev. Mario de Ferrari

Unity in Diversity

We believe that all people are created with sacred worth and recognize the divinity in ourselves and within every person. We honor the gift of free agency—the sacred ability to choose, grow, and walk one’s own spiritual path. We understand the importance of serving all people in spiritually and emotionally caring ways. Our ministry reaches out to all who seek compassion, belonging, and spiritual growth. Our church is free from all discrimination by race, color, gender, sexual orientation, age, creed, religion, national origin, ethnicity, legal status, or physical disability.

Daily Law of Attraction Quotation

Daily Quote – June 13, 2026

Let what you're living right here and now in this environment be the process that evokes the desire that summons the Life Force that provides the creation of anything.

Whatever you have the ability to conceive, this Universe has the ability to provide. Anything, without exception. So your work is on the conjuring of the idea, period. The Universe has the stuff to deliver the goods, and will.

Reason, Season, or Lifetime

by Brian A. "Drew" Chalker

People come into your life for a reason, a season, or a lifetime.

When you figure out which one it is, you will know what to do for each person.

When someone is in your life for a *reason*

it is usually to meet a need you have expressed.

They have come to assist you through a difficulty; to provide you with guidance and support; to aid you physically, emotionally, or spiritually.

They may seem like a godsend, and they are.
They are there for the reason you need them to be.
Then, without any wrongdoing on your part or at an inconvenient time,
this person will say or do something to bring the relationship to an end.
Sometimes, they die. Sometimes, they walk away.
Sometimes, they act up and force you to take a stand.
What we must realize is that our needs have been met and our desires fulfilled, and their work is done.
The prayer you sent up has been answered, and now it is time to move on.

Some people come into your life for a season

because your turn has come to share, grow, or learn.
They bring you an experience of peace or make you laugh.

They may teach you something you have never done.
They usually give you an unbelievable amount of joy.
Believe it. It is real. But only for a season.

***Lifetime* relationships teach you lifetime lessons**

things you must build upon in order to have a solid emotional foundation.

Your job is to accept the lesson, love the person, and put what you have learned to use in all other relationships and areas of your life.

It is said that love is blind, but friendship is clairvoyant.
